GENERAL ELECTION—1902.

VOTE ON THREE QUESTIONS OF PUBLIC POLICY.

PROPOSED QUESTION OF PUBLIC POLICY, NO. 1.

Shall the next General Assembly submit to the people of the State of Illinois, at the next State election, a constitutional amendment providing for the control of legislation by the people, by means of the initiative and referendum; said amendment to provide for the initiation of legislation upon a petition of eight per cent of the voters of the political divisions affected; and for the reference of legislation upon a petition of five per cent of the voters of the political divisions affected, the action of the majority of the electors voting to be final; thus restoring to the people the power they once held but which they delegated to the General Assembly by the constitution?

PROPOSED QUESTION OF PUBLIC POLICY NO. 2.

Shall the next General Assembly enact a statute by which the voters of the political subdivisions of the State of Illinois may be enabled to initiate desired local legislation, by filing a petition therefor, signed by eight per cent of the legal voters in said political subdivisions; and to have referred to the voters any legislation enacted by the several local legislative bodies, by the filing of a petition therefor of five per cent of the legal voters of any such political subdivisions; the action of a majority of those voting to decide in each case?

PROPOSED QUESTION OF PUBLIC POLICY NO. 3.

Shall the next General Assembly take the necessary steps under article 5, of the Constitution of the United States, to bring about the election of United States Senators by the direct vote of the people?
